## EXTRA COSTS TO BE AWARE OF

**Printing:** Each student will receive a printing code and will be charged 90c per A4 page copies or prints. A report is pulled once a month and the total cost will be added to the monthly invoice.

**Stationery:** A stationery list will be provided

**Art & Design:** A kit consisting of all the basic art materials required for the course needs to be purchased. Peak Academy will order this kit for you to ensure that the correct materials are purchased. Please note that the cost may change from time to time. This excludes the Textbook which needs to be purchased separately. Mid Years Art kit is included in the textbook costs for the year.

**Textbooks:** We provide you with the ISBN numbers so that you can source the books for yourself (IGCSE & AS Levels only) or you are welcome to request Peak Academy to order them for you. We do charge a 20% admin fee and no books will be ordered before proof of payment has been received. There is an option to purchase second-hand textbooks at the office. (subject to availability)

**Peak Workbooks:** These books are exclusively printed for Peak and are compulsory for certain subjects. The workbooks are normally issued once a semester.

**Scribe / Reader for Internal Assessments (March & September):** Should your child require a reader or a scribe during their internal assessments, we would require an Educational Psychologists report not older than 3 years. The average cost for an Invigilator and facilitator would be R150.00 per hour each.

**Cambridge Assessment International Education Exams:** This is a cost that you would need to be aware of once the student is ready to write their final external examinations. You will need to pay a once-off registration fee and then an exam fee per subject. On average you can expect to pay approximately R2000 per subject. Remember that not all the subjects will be written at once. Please refer to the Exam centre fees schedule.

**Golden Feather Event:** This is traditionally an end-of-year event (held in November) for our graduating students. We try to keep the ticket price to a minimum, but you can expect to pay in the region of R500 per person.
