EXTRA COSTS TO BE AWARE OF

Printing: Each student will receive a printing code and will be charged 90c per A4 page copies or prints. A report is pulled once a month and the total cost will be added to the monthly invoice.

Stationery: A stationery list will be provided

Art & Design: A kit consisting of all the basic art materials required for the course needs to be purchased. Peak Academy will order this kit for you to ensure that the correct materials are purchased. Please note that the cost may change from time to time. This excludes the Textbook which needs to be purchased separately. Mid Years Art kit is included in the textbook costs for the year.

Textbooks: We provide you with the ISBN numbers so that you can source the books for yourself (IGCSE & AS Levels only) or you are welcome to request Peak Academy to order them for you. We do charge a 20% admin fee (Mid Year admin fee is included in total amount above) and no books will be ordered before proof of payment has been received. There is an option to purchase second-hand textbooks at the office. (subject to availability)

Peak Workbooks: These books are exclusively printed for Peak and are compulsory for Afrikaans. The workbooks are normally issued once a semester and cost R220 per book.

Scribe / Reader for Internal Assessments (March & September): Should your child require a reader or a scribe during their internal assessments, we would require an Educational Psychologists report not older than 3 years. The average cost for an Invigilator and facilitator would be R150.00 per hour each.

Cambridge Assessment International Education Exams: This is a cost that you would need to be aware of once the student is ready to write their final external examinations. You will need to pay a once-off registration fee and then an exam fee per subject. On average you can expect to pay approximately R2000 per subject. Remember that not all the subjects will be written at once. Please refer to the Exam centre fees schedule.

Golden Feather Event: This is traditionally an end-of-year event (held in November) for our graduating students. We try to keep the ticket price to a minimum, but you can expect to pay in the region of R500 per person.

Terms and Conditions: Fees will increase annually. Fees are due on or before the 1st of every month. Fees are paid via EFT or Debit Order. No cash or cheque payments will be accepted. Payments need to be referenced correctly with student number. Strictly **3 months' notice of intent to terminate** contract is required, failing which an amount equal to 3 months' notice will be added to final account for settlement. Accounts in arrears of 30 days or more will be handed over to a debt collection company and may result in black listing.
